

# COBDEN CHADWICK PRESSES INSTANTLY IMPROVE YOUR PRINT QUALITY

- Several PPT Customers have recently used our services to re-cut their entire existing print gear stock.
- Savings of over 60% can be achieved compared with the purchase of replacement gears.
- We strongly recommend that customers with gear stock over 10 years old consider a gear re-cutting replacement program.
- Control of gear quality is one of the most important elements of flexo printing.
- Please contact us today to request a quotation.
